GB Rowing – Olympic Programme 2009-12

High Performance Coaches

GB Rowing is looking for two High Performance Coaches to work inside its Olympic Programme and to deliver success at the London Games in 2012.

The successful candidates will work closely with the Performance Director and Chief Coaches in coaching Olympic Squad rowers. They will work from the GB Rowing Centre at Caversham and the EIS Centre at Bisham Abbey, Marlow. One will be assigned to the men's squad, the other to the women's / lightweights squad.

A strong international track record in coaching and proven ability to deliver Olympic medal level performances are essential. These are exciting and challenging roles for ambitious and successful coaches.
