- Proven skills in mentoring, coaching, project management, leading complex processes, and communication
- Demonstrated ability to work effectively and achieve results in a team environment
- Strong background in sport, technology and science
- Professional written and oral communication skills - including fluency in English and French

## PROFESSIONAL EXPERIENCE

### **Senior Associate** – *Infrastructure BC, Victoria BC, Canada*

**2017 – current**

Working extensively with provincial government ministry clients, my role as senior associate includes:

- Development of business cases and support of capital infrastructure procurement processes.
- Complex analysis of capital projects, including statement of requirements, construction schedules, financial modeling, or risk analysis.
- Completion of value for money assessments.
- Managing consultant teams and engaging with stakeholders during the planning and procurement phase.
- Leading workshops and delivering presentations on a variety of capital projects for various sectors.

### **Business Owner** – *West Coast Rowing Adventures, North Saanich BC, Canada*

**2019 – current**

Together with my wife, we launched West Coast Rowing Adventures in 2019, the first coastal rowing company on the North American West Coast. After successfully organizing the 2018 World Rowing Coastal Championships in Sidney, BC, we purchased some of the boats, and we are now operating from our property on Piers Island. We offer a variety of tours such as day tours, camping tours, and week-long tours in hotel and resorts. Our experience, both on and off the water, is highly valued and appreciated by our customers.

### **Professional Athlete - Olympic Rower** - France & Canada

**2005 – 2017**

- Competed at three Olympic Games (2008-2012-2016). Olympic medalist and 5-time world championship medalist, I had the opportunity to compete for France and Canada as I hold dual citizenship.
- Organized and successfully rowed across the Atlantic Ocean (2013).

## VOLUNTEER EXPERIENCE

### **World Rowing Athletes Commission** – World Rowing

**2017 – current**

As a member, my role is to represent active elite rowers and to act as a liaison between World Rowing and the elite athlete community concerning any issues affecting the sport of Rowing. I have been actively involved in leading a number of initiatives including management of social media platforms and communications, Athlete Lane Selection process, the Big Plastic Pledge partnership, governance changes or safeguarding procedures.

### **Buildings & Land Improvements Trustee, PIID** – Piers Island, Canada

**2018 – current**

As an elected Trustee on the Piers Island Improvement District, my portfolio includes all assets and buildings owned by the community. I manage budget, capital planning and projects on behalf of 131 property owners.

### **Regatta Director, 2018 World Rowing Coastal Championship** – Victoria, Canada

**2017 – 2018**

My role as a Regatta Director was to organize a world-class event with more than 400 participants and to set the vision for the event in consultation with FISA, local officials (municipal and First Nations) and the Greater Victoria sport tourism agency SportHost and Tourism Victoria. I was responsible to promote and provide the best possible experience for participating athletes, and to ensure a legacy for the development of coastal rowing in the region. During the event, I had responsibility for all aspects related to safety, race operations and racing course management (e.g., motorboats, safety decisions).

### **Athlete Mentor, 2018 Winter Olympic Games** – Canadian Olympic Committee, Canada

**2017 – 2018**

As an Athlete Mentor, my role at the 2018 Winter Olympic Games was to support and create a positive environment for athletes to thrive and perform.

## EDUCATION

### **“Next step: Transition to Business” Program**
