**HEALTHY
WATERS**

Healthy Waters Marine Restoration Day Oslo, Norway

Stakeholder Engagement Invitation

FILETFABRIKKEN
A part of Blue Resource Group

Dear Rowing Community, Schools & Stakeholders,

We are pleased to invite you to participate in a new and innovative initiative: the Healthy Waters: Marine Restoration Day.

Date: 23 August 2025

Time: 11:00 -15:00

Location: Christiania Rowing Club, [Frognerstranda 2, 0250 Oslo](#)

This project is part of World Rowing's broader [World Rowing - WWF Healthy Waters Alliance](#) and its commitment as a [Sports for Nature](#) signatory.

Planned in partnership with [Marea](#), this initiative represents a collective effort to restore the Oslo Fjord, and we would be honored to have your presence and support at this important community event.

WHY IT MATTERS

SPORT – using rowing as a catalyst for environmental action (protection & restoration)

EDUCATION – hands-on learning for youth and the public

SCIENCE & RESTORATION – showcasing Marea's work, and partners involvement

COMMUNITY & CLIMATE – connecting local action to global water resilience and biodiversity goals

PROGRAMME

11:00 | Welcome & Introduction

Martin Helseth (Olympian, World Rowing Healthy Waters Alliance Ambassador & Marea, CEO)

11:15 | *Terje Alming* on Restoring the Oslo Fjord: A Marine Biologist's Perspective

11:30 | Restoring the Waters: Martin in Conversation with Christiania Rowing Club and Blue Resource Group

11:45 – 13:00 | Interactive Hands-on Activities Underwater Drone Live Stream

- Watch the restoration project unfold live through our real-time stream
- Marine biologists will be on hand to answer questions – fun and friendly for kids!

Free dive & Revive: Underwater Cleanup and Habitat Renewal

13:00 – 13:30 | BBQ Lunch

- Food and drinks outside the rowing club
- Opportunity for families, youth rowers, and event partners to connect

13:30 – 14:30 | Marine Restoration Games - Explore Healthy Waters / Utforsk “Healthy Waters” - initiativet!

- For kids of all ages!
- Fun activities learning about the sea creatures of the fjord
- The drone will be back in the water for real time footage

14:30 – 15:00 | Closing & Call to Action

- Short intro on BlueLightS student-led ocean literacy funding, application deadlines, and project ideas. Encouraging schools to apply!
