

Dear President, dear colleague,

On behalf of the Spanish Rowing Federation, I am honored to present Ms. Asunción Loriente as a candidate for the position of President of the European Rowing Board.

Asunción, former President of the Spanish Rowing Federation, has dedicated her life to the sport of rowing. Her involvement began in her hometown rowing club during childhood, and she has remained deeply committed ever since. She has served as a World Rowing umpire since 2004, has been a member of the Spanish Rowing Federation Congress since 2008, and joined its Executive Committee in 2014. In 2018, she was elected President of the Federation, a position she held until last year.

In addition to her extensive experience in rowing governance, Asunción is a highly respected leader within Spanish sport. Since 2021, she has been a member of the Executive Committee of the Spanish Olympic Committee, where she leads the Equality Program both within the National Olympic Committee and across the largest sports association in our country (ADESP).

I believe she is the ideal candidate to lead European Rowing. Her outstanding skills, deep knowledge of sports governance, and broad experience are complemented by her unwavering commitment and integrity; qualities she has consistently demonstrated since joining the European Rowing Board in 2020. Asunción is exceptionally well positioned to lead the future of rowing in Europe, providing stability and integrity throughout her service.

For all these reasons, I sincerely hope you will give her candidacy your full consideration.

Kind regards,

Miguel Ángel Millán Carrascosa, Presidente.

Federación Española de Remo.
